

# CITIZENS INFORMATIONAL WORKSHOP

Safety Improvements on U.S. 23-441

TIP# W-5214H

Cat Creek Road (SR 1513) to U.S. 441 Business

**Thursday,  
October 10, 2013  
Franklin Town Hall  
Board Room  
95 East Main Street  
4PM—7PM**

The North Carolina Department of Transportation will hold a Citizens Informational Workshop to discuss proposed safety improvements on U.S. 23-441 in Franklin. Improvements are necessary due to the crash history at the intersection of U.S. 23-441 and Cat Creek Road (SR 1513). An alternatives analysis evaluated possible safety improvements for this location including partial signalization and a directional crossover in the median to limit traffic movements. This workshop is an opportunity for interested persons to view plans of the alternatives and discuss the project with Department representatives in a come-and-go workshop setting. **Please note:** there will be no formal presentation during this workshop. For additional information regarding the workshop, please contact Wesley Grindstaff at 828-321-4105 ([wtgrindstaff@ncdot.gov](mailto:wtgrindstaff@ncdot.gov)).

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Wesley Grindstaff as soon as possible so that arrangements can be made.

Persons who speak Spanish and do not speak English, or have a limited ability to read, speak or understand English, may receive interpretive services upon request prior to the meeting by calling 1-800-481-6494.

**YOUR ATTENDANCE AND PARTICIPATION IS WELCOMED!**
